

Group Investigation: Human Impact on Reefs

The following notetaker can be used during group investigation of informational texts:

Form a question:	Take notes from your independent research to answer your question:	Cite your source:
1.		
2.		
3.		

Summary:

CCSS.ELA-LITERACY.WHST.6-8.9

Draw evidence from informational texts to support analysis, reflection, and research.

Socratic Seminar: Exit Ticket

Reflect on the following questions after the Socratic discussion:

What is something you “heard” during the discussion that stood out to you?

What is 1 new thing you “learned” during the discussion?

What is a “question” you still have after the discussion?

CCSS.ELA-LITERACY.WHST.6-8.9

Draw evidence from informational texts to support analysis, reflection, and research.
