

"Hawai'i's Food System is Broken" QFT Investigation

How did Hawai'i's food system become dependent on imported food? What is being done to change this model?

Instructions: Work with a partner to read the Civil Beat article *"Hawai'i's Food System is Broken. Now Is the Time to Fix It"* by Jessica Terrell. Use this document to aid your comprehension of the article and keep track of your learning.

Before Reading:

Scroll through the entire article, reading only the **subtitles** and looking at the **photos**. In the space below, write two predictions about this article.

1.

2.

Based on your preview, how likely is this article to answer your questions about Hawai'i's food supply in times of disaster?

CCSS.ELA-LITERACY.RI.7.3

Analyze the interactions between individuals, events, and ideas in a text.

During Reading:

When you discover an answer or a fact that is relevant to one of our class questions below, record it in the appropriate space.

<i>[Class Question #1]</i>	<i>[Class Question #2]</i>
<i>[Class Question #3]</i>	<i>[Class Question #4 - optional]</i>

After Reading:

Work with your group to add your findings to the graffiti walk or shared slides. After viewing everyone's ideas, answer the following questions.

What did you notice most groups had in common?

Where did you notice disagreement or misunderstandings?

What are you still wondering?
